

57TH INTER IIT SPORTS MEET 2024

ABOUT US

The mecca of sports for every athlete at the IITs, the Inter IIT Sports Meet is the biggest inter collegiate tournament in the country in terms of scale.

It is an eight-day carnival held in December every year, wherein the students from 18 IITs sweat and strive to win the coveted General Championship Trophy.

63 years since its inception, the meet is now in its 57th edition; and hosting the event this year is IIT Kanpur. Conch shells have been blown, and the IIT Kanpur Sports family has pledged to take the meet to a whole new level.

DIRECTOR'S MESSAGE

Dr. Manindra Agrawal
Director, IIT Kanpur

IIT Kanpur is known to pursue only one motto- 'excellence, a philosophy not only confined to academics but extended to individuals, groups, classroom, laboratory, research, sports, arts and culture and in every form of creativity and innovation. Students Gymkhana, an integral part of the student community, a cradle for nurturing and promoting the future talents, leaders and champions is no exception.

There is variety and vibrancy of extracurricular life in IIT Kanpur. Every student at IIT Kanpur is bound to find worthwhile and meaningful activities to pursue every year one spends in this campus. Sporting activities possibly bring the most memorable aura of excitement and brilliant facets of this vibrant life at IIT Kanpur. While having the best sports infrastructure and organization amongst all the IITs should not be our only claim to fame, possessing facilities like world-class Multipurpose Hall, an Olympic sized Swimming Pool, flood-lit Hockey, Football and Cricket grounds, just to name a few, does help our case and promote our goal.

More importantly, we cater to all degrees of enthusiasm too. We, quite honestly, have something for everyone. You could run a cross country race or you could join a skating club or you could live your IPL/EPL dreams by playing in our semester long leagues. The possibilities are endless and certainly not saturated.

Please come, re-live the years spent on school playgrounds and experience the joy of new found and like-minded friends, the fervor of cheering for your hostel, the ultimate glory of an Inter-IIT medal.
